

src/Hypotheses/Lexicon.h

```
graph BT; A[Models/CombinatoryLogic/Main.cpp] --> B[src/Hypotheses/Lexicon.h]; C[Models/FormalLanguageTheory-Complex/Main.cpp] --> B;
```

The diagram illustrates a header file dependency. At the top, a grey rectangular box contains the text 'src/Hypotheses/Lexicon.h'. Below this box, there are two white rectangular boxes. The left box contains the text 'Models/CombinatoryLogic/Main.cpp' and the right box contains 'Models/FormalLanguageTheory-Complex/Main.cpp'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top box, indicating that both source files include the header file.

Models/CombinatoryLogic
/Main.cpp

Models/FormalLanguageTheory
-Complex/Main.cpp
